Farm Share Program

In the beginning of June, The Bardwell House as a housing site, will find out if it is approved for the Farm Share Program. After finding out if our housing site is approved, then we will be notified in regard to the individual residents. Each resident will be notified by Amanda as to whether they qualified and if not, why did they did not qualify. Amanda will keep you updated as she finds out more.

Open Door

Amanda will be available to meet with tenants on Wednesdays between the hours of 9 a.m. and 11 a.m. and always by appointment.

Amanda has several responsibilities. Please think about the reason that you are knocking on her door – Can it wait? Or written in a note and dropped in the mail slot? Or do you need to make an appointment? Thank you for your consideration!
