Make Me Smile.....

A THANKSGIVING POEM

May your stuffing be tasty,
 May your turkey plump,
 May your potatoes and gravy
 have nary a lump.
 May your yams be delicious
 and your pies take the prize,
 and may your
 Thanksgiving dinner
 stay off your thighs!

Coordinators Corner

Happy Veterans Day! Veterans Day hits close to home for me as my father was a Veteran and as I have grown up I was always taught to treat any person, but especially a Veteran with nothing but respect! Without those of you who have served in our armed forces we wouldn't have the freedoms that we have today. I think this is something that can be taken for granted as we live our everyday lives. Thank you to ALL of those that have served and continue to serve today!!! Remember, green lights during the month of November shows appreciation for those in the service.

Happy Veteran's Day!

Mark Your Calendar!

Check the Calendar in the Lobby for times and locations.

5 Facts About Veterans Day

Veterans Day is sometimes confused with Memorial Day, however Memorial Day honors those who died while serving in the military and Veterans Day honors all those who have served in the U.S. military, alive and deceased.

Originally, when known as Armistice Day, it was meant to honor those who died in World War I, but when it was amended in the early 1940s, it was changed to honor all the veterans who have served in the U.S. military.

In 1921, on November 11th, an American

soldier was buried at Arlington Cemetery. His identity was unknown and as such, his gravesite is called the Tomb of the Unknown Soldier. On November 11th a wreath is laid on the grave during a ceremony. It is laid by the president or by a high-ranking member of the government.

There were approximately 400,000 members of the United States military killed during World War II.

There are approximately 24 million veterans living today.

5 Facts About Thanksgiving

Approximately 280 million turkeys are consumed on Thanksgiving in the United States.

In 1863, Abraham Lincoln declared the last Thursday in November to be the national day for Thanksgiving.

The first Thanksgiving in 1621 was celebrated for three days.

It wasn't until the 1660s that the harvest feast became an annual affair.

The first Thanksgiving in the United States was held at Plymouth in 1621. This feast was prompted by a good harvest and celebrated by pilgrims and puritans.

Fall Foliage Tour

Thank you to Kelly Socia for the foliage tour trip! Thank you to all of those who attended. What a beautiful time of year to be able to go for a long ride and see the beauty Vermont has to offer as it is changing through the seasons.
