## Upstreet Apartments at Lake and Maple in St Albans City

These brand new units were a dream that are now a reality. The management team has begun the application process. Once they have filled this 72 unit building they will have a waitlist for any that are looking to move in and reap the benefits of the community living this building will bring.

There are 0, 1, 2 and 3 bedroom units. All units have income requirements.

If you fall in the 30 - 60% area median income range then these units are a good match for you!

Click the [Income Standards](#) link to see the table.

There are also some subsidized units. This means if your income is at a certain percentage then

typically you would only pay 30% of your monthly income to your rent. Click on the [Subsidized Units](#) link to see if you are eligible and to apply.
